Converting Supplies and  
Reducing Waste****Examiner:****Michael G. Bogart**

## Amendment

**Commissioner For Patents  
Alexandria, VA 22313-1450****Honorable Commissioner:**

In response to the Detailed Office Action dated 03/04/2005, please consider the above identified patent application as follows:

## **IN THE CLAIMS**

- 1) Please cancel claims 1-3 without prejudice and with reservation of rights.
- 2) Please add new claims 4-24 and enter these new claims into the record for consideration.

## **Remarks**

The Office Action dated 03/04/2005 has been carefully considered. Please note the enclosed Form PTO/SB/22 Petition For Extension Of Time under 37 CFR 1.136(a), and check # 5116 in the amount of \$510.00 which is the proper fee for a small entity for a three month extension. Also enclosed is check # 5117 in the amount of \$25.00 which is the proper fee amount for one dependent claim over the 20 claim limit which is indicated on the enclosed form PTO/SB 17.

## Reply to the aforesaid Detailed Action

It is noted: Claim 1 is objected to because of the following informalities: In claim 1, lines 10 and 12, there are second and third recitations of "a lid". From the context of a claim as a whole, it appears as if this is referring to the same lid recited in line 8. If this is the case, the second recitation of "a lid" should be referred as "said lid" to clarify this. Alternatively, if a second or third lid is what applicants intended to claim, then "a second lid", "third lid", etc., should be used. In line 11, there is also a second recitation of "a delivery container", (see line 9). The same objection discussed in the preceding paragraph applies here.
